

4-H Dairy Feeder Calf Club Stall Request Form

Important things to remember about stall requests.

- Please list all DFC club members that are within a family on one line of the stall request form.
- Each family listed on the form must have a parent or guardian sign it to verify that they have given permission for the request.
- Only one form should be submitted for each group wishing to be stalled together.
- Requests regarding stall placements within the barn will not be granted. This includes 4-H members who are in other livestock clubs.
- **All stall requests are due by the April meeting.**
