

# Dairy Feeder Calf Stall Request Form

All stall request forms are due by the June meeting. All names and money are due with this paper, no exceptions. Parents signatures are required too. Remember, this request is for WHO you would like to be stalled with, NOT your location in the barn. If you sold a flat (18 plants) of geraniums or pay \$10, you are eligible to request. (Immediate families are automatically stalled together.) Thank You!
